Dear Recipient:

Thank you for contacting the National Personnel Records Center. We are providing the releasable military service information based on restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act and the Privacy Act of 1974. Releasable information has been transcribed, photocopied, or a combination of both, in order to comply with your request.

If additional information is needed, the Privacy Act of 1974 requires the written consent (signature) of the individual to whom the record pertains. If the individual is deceased, we must have the written consent of the next of kin and proof of death. The next of kin is defined as: unremarried widow or widower, son, daughter, father, mother, brother or sister. The following are acceptable forms of proof of death:

- Death certificate
- Newspaper article (obituary) or death notice
- Coroner's report of death
- Funeral director's signed statement of death
- Verdict of coroner's jury
- If death occurred outside the United States, any document similar to one of the preceding five, or a report of death signed by a United States consul or other agent of the State Department.

If you contact us, please reference the Request Number listed above.
