messagetoag: Madam Attorney General -

With your withdrawal from future service (short lived we hope), just wanted to let you know that we appreciate your service only wishing that we could have more people like you representing us in the State of Illinois. Best of luck to you in the future.

Been expecting this (we discussed it last year when you were at Harvard), and accept all my congrats. Things are going to be great for you. Imagine, only hanging with people you like!!!

All transitions have a bump or two, but I "get it" and am completely supportive. I have some experience in all this as you can imagine, so please (hey! Ann! You interrupted me with a call! So sweet of you!).

So I am just hitting "send" and hooray for us....am very happy for you...

Lisa, big deal change.

Hope running the office without "running" is enjoyable as you conclude what will be a 16 year run (hard to believe!).

Look forward to catching up for a lunch or walk sometime before too long.

Best to you, Patrick and the girls.

Look forward to "seeing you on the other side..."

Best,

Craig

issue: General Comment on L Madigan decision on not running again

messagetoag: It saddens me that Lisa Madigan won't be running for another term. She's the only one who could hold those other folks feet to the fire and get results. She fights for the people like father Phlegher or an MLK. She's the only beacon in the state of IL government. I sure hope she reconsiders unless she's running for governor, if she's running for governor she has my vote. Her reputation is stellar. I was living in the state of Indiana and moved to IL after hearing amongst other things of the State Attorney General that gets things done and fights against scam artist and for people. Trust me it's not like that in other states especially in IN. Ms Madigan, I hope you reconsider running again. Thanks for all that you've done so far. There is so much more out there for you to challenge and triumph over.

Lisa: Just heard the news and wanted to send a note thanking you for your service over the years and especially for your willingness to work across state and party lines. You have been a class act in a political era that seems to have lost what originally made elected officials called "Honorable". Hope you stay engaged in the public arena and keep in touch [REDACTED]

messagetoag: I hope this message gets to Mrs. Madigan. I just want to let her know I'm shocked and a bit upset she's not seeking re-election. She has done an EXCELLENT job! I hope she soon holds another democratic position.
