Mr. Blutstein:

In response to your Open Records Request dated July 6, 2017, I am attaching a statement of Mr. Niermann's salary history with the college, which is public information. However, I am unable to produce the other the records you have requested (Mr. Niermann's job application/resume and most recent performance evaluation/ratings), as such records are classified as "personnel records" and are exempt from disclosure under the Kansas Open Records Act 45-221(a)."

Feel free to email me with any questions and thank you for your interest in Johnson County Community College. Have a nice day and weekend.

Kind Regards,

Tom Pagano
