To whom it may concern,

As Director of Human Resources for the City of Detroit, I am writing regarding the employment history of Dr. Abdul El-Sayed, Health Director. Dr. El-Sayed is a political appointee serving under Mayor Michael E. Duggan.

Dr. El-Sayed will be declaring his candidacy for an elected office. Because of the political nature of his appointment, Dr. El-Sayed cannot continue to hold his current post while also seeking an elected office. Therefore, in order to declare his candidacy in an election, he resigned his post, effective February 17th, 2017.

We recommend that, because of the unique rules and regulations surrounding his role and his decision to seek elected office, that this be viewed as a qualified life event.

If you should have any questions, please feel free to contact me at 224-3559.

Sincerely,

Denise Starr
