Hi,

I checked text messages and there is nothing related to the 3 US Congress members.
I checked emails and there is nothing that relates to City business and the 3 Congress members.

As for the expenses incurred:

- I've attended the League of California Cities in January and made that public (Colleen, if you have any of the financial documentation).
- I have given the City personal funds to utilize for any of my dinner orders and have ensured I do not spend City money on anything personal. (attached are the emails from staff regarding this)

Please let me know if anything else is needed.

Respectfully,

Aisha Wahab, M.B.A.
