Good Afternoon,

In response to item (2) of your public records request, please see the attached report of annual salary data for former District employee Jamie McLeod. In response to item (3), this employee's first pay date was February 28, 2008 and her date of separation from the District was January 8, 2014.

Please note that your items (1) and (4) seek records that are part of the employee personnel file, the disclosure of which would constitute an unwarranted invasion of personal privacy. These records are exempt under the California Public Records Act, Gov Code §6254(c), and will not be released. To the extent that item (3) seeks records that are a part of the employee personnel file, these are also exempt and will not be released.

If you have any concerns, please contact Records Management staff by email or by one of the phone numbers in my signature line below.

Kind regards,

MARK BILSKI
