Superintendent
Seymour Community School District
Seymour, Iowa 52590

Dear Superintendent:

This past week I was informed that the Seymour Community School District is accepting applications for a Social Studies teacher, Head Football coach, and Head Girls Basketball coach. I would like to inform you that I am qualified for this position, and I would like you to accept this letter as application to this position.

I am a graduate of Simpson College located in Indianola, Iowa receiving a Bachelor of Science Degree in Secondary Education with a major in World History and a coaching certificate. I have recently completed courses at Iowa State University and will be certified in Physical Education and Political Science upon approval from the Board of Public Instruction.

During the last five years I have had the opportunity to gain valuable experience working with young people as an Assistant Football, Basketball, Baseball, and Track coach at Dowling High School. My classroom experience has been limited to student teaching at Indianola Junior/Senior High School and College Assisting at Iowa State University, however, I feel very confident in my ability to present material and stimulate growth in the classroom.

As a teacher and coach in the Seymour Community School District, I would help each student strive, not only in athletics, but also academically, socially, and psychologically. Academically, through helping each person recognize that they must be good students and develop good study skills for both the classroom and extra-curricular activities, I would emphasize the importance of a good education and how without it, all extra-curricular activities are useless. Socially, by helping each student recognize the importance of family, friends, and the community. Psychologically, by helping each person learn to accept and deal with the pressures of school, sports, and life. I would develop in each student a growth towards good self-discipline so that they can handle all these tensions.

I am willing to spend the necessary time and energy to help young people develop into wholesome adults. I am young and very aggressive, well-trained, and am prepared to render the leadership necessary to accomplish the objectives of a strong educational and athletic program.

Copies of my credentials are on file at Iowa State University and will be forwarded to you immediately. I shall look forward to hearing from you regarding your assessment of my qualifications for this position.

Sincerely,

Eddie J. Mauro

COPIES OF LETTERS OF RECOMMENDATION

1

EDWARD MAURO

May 10, 1986

I have enjoyed working with Eddie in two areas of his life. Two years of baseball at Simpson and as his cooperating teacher in eighth grade social studies this year. In both areas he exhibited the same qualities, sincerity and a willingness to work.

In teaching he accepted constructive criticism and related well with the students and staff. He has proved to be a resourceful person with a good knowledge of education and its function and I would recommend him as a qualified teacher.

Dill Fendgraft, Cooperating teaching
Indianola Junior High
Indianola, IA

June 3, 1986

It is my extreme pleasure to recommend Eddie Mauro. Ed came to Simpson College as a junior college transfer in my first year as athletic director and baseball coach.

He has been elected captain of the team both his junior and senior year and was also a first team All-Conference player. His athletic achievements speak for themselves, however, I feel how he was able to accomplish them is what is impressive. Eddie is not blessed with extraordinary athletic ability, but through extreme dedication, hard work, and self discipline, he made himself very successful. I believe that this work ethic will carry over into Eddie's professional career and make him very successful in whatever he chooses to do.

Along with his work ethic and his striving for success, Eddie is a very fine young man.

John Sirianni, Athletic Director/Baseball Coach
Simpson College

July 7, 1986

I am writing to recommend Eddie Mauro for a position teaching secondary social studies and coaching. Eddie has been a student in two of my advanced level history classes, and I have observed his work as a student teacher.

Eddie's main interest is in coaching, and particularly the coaching of baseball, a sport in which he excelled while at Simpson College. But I also found him a competent and hard working student in my history courses, making a B- in both the courses he took from me. He showed a sincere concern for students in the high school American history course which he student taught in Indianola in the spring of 1986, setting up special evening study sessions in the college library for students having trouble with the course.

Eddie is personable, sincere, and industrious, and I believe he will be an effective teacher and a very good high school coach.

Dwain Duncan, Professor of History
Simpson College

Confidential
Statement concerning Eddie J. Mauro
Degree B.S. Date Earned May 1987 Social Security number 485-92-0968

Eddie Mauro has been an assistant Coach at Dowling in both baseball and foot ball for the past three years. My comments on him are based on my observati of him as a coach. I have not seen Eddie in a classroom situation.

Eddie has been a valuable addition to our coaching staff. He is not afraid work. He is willing to put in the hours necessary to have a successful athl program.

Even though he is many years younger than many of our other assistant coache he has established a good working relationship with them. I have seen Eddie grow as a person these past few years. He has a good rapport with the athletes under his supervision. I feel Eddie Mauro has the attributes to be a fine coach.

Comments (Please type):

I have known Eddie since his student days in high school and in college. He has long had the dream to teach and to coach. He is very diligent and organized in providing students a quality learning experience. I have observed this professional attitude in his relationship with our students as he assisted as a volunteer coach here at Dowling. He has a fine future in education.
