Alan,

Elected officials are paid \$7500 annually, paid biweekly at \$288.46. Ms. Donovan was paid this value from her election in November 2009 thru the end of her term in November 2013. Our payroll records (electronically available back to 2010), show a total gross of \$15,721.21 from 1/1/2010 thru November 2013. If additional information is necessary prior to 2010, please let us know as additional research will be necessary.

Thank you
